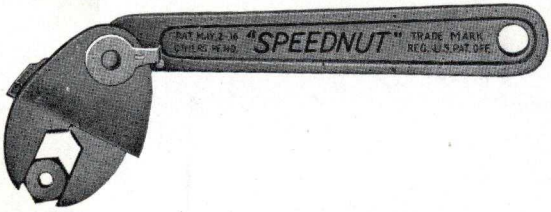
AGENTS WANTED

The "SPEEDNUT" Owner

(Dedicated to ALL Wrench Users)

Latest Improved 1924 Model



The "SPEEDNUT" owner is a handy man,
His efficiency is measured by the wrench in his hand.
See how confident, how proud (never blue)
The "SPEEDNUT" owner looks to you.

When a nut is loose and you want it tight,
"SPEEDNUT" will grip it and put it right.
The CONSTANT RATCHET ADJUSTMENT is fine,
You can finish the job in half the time.

Work to its owner on car or bench,
Is simply play with a "SPEEDNUT" wrench.
It grips any nut, large or small,
Speeds up work and ratchets on all,

No rounded nuts on my car will there be,
No more skinned knuckles to worry me,
No more fretting and fussing for mine,
"SPEEDNUT" saves guessing, money and time.

Ask your dealer what "SPEEDNUT" will do,
Then try it yourself on a nut or two.
Pull as hard as your strength will permit,
You'll soon know why it cannot slip.

All you have said about "SPEEDNUT" is fine;
I need a wrench that saves money and time,
Skinned knuckles, fretting and fussing with me,
Will soon be ancient history.
